Go Green Rating Scale Teaching Resources

These PowerPoint-based modules present a general overview of the *Go Green Rating Scale for Early Childhood Settings* and its function in early childhood programs. Use this mini-training session to describe the rationale for using the rating scale to your program's staff, families, funders, and stakeholders.

These comprehensive modules help future users and participants of train-the-trainer events gain the knowledge and skills to successfully implement the *Go Green Rating Scale for Early Childhood Settings*. It describes rationale for using the rating scale; provides definitions of how "green" applies to early childhood programs; includes a complete overview of each section of the rating scale; and contains clear instructions for accurate scoring. It also describes potential uses of the rating scale, such as links to accreditation criteria and marketing options; strategies to plan for improvement; and tips to communicate rating scale findings. Each module is packaged in a convenient three-ring binder and comes with 2 CDs. Training materials include

- PowerPoint files
- A descriptive trainer's guide
- Participant handouts
