

The
Rainbow Reading
Programme

SEPTEMBER 21
ENTERPRISE PTE LTD

...Helping readers to become more confident and competent..

Advantages

The **Rainbow Reading Programme** is non-threatening, supportive, interesting, enjoyable, easy to implement and effective at improving reading skills.

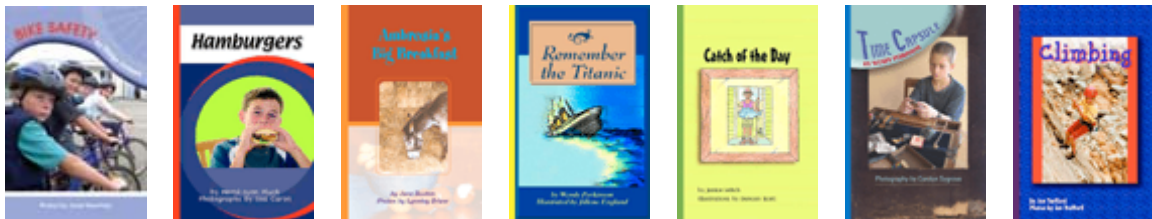

How successful is the Rainbow Reading Programme?

In recent research carried out in Auckland students made on average, gains of two years progress in reading level in 16 weeks. Even more favourable results were achieved by the students who are English Language Learners.

An audio-facilitated reading programme consisting of a series of books, at seven colour-coded levels, with accompanying audio support and activities.

- **developed, thoroughly researched and trialled by qualified reading specialists in schools throughout the world**
- **high interest - short (130 - 700 words)**
- **colour coded for different reading levels (seven levels 5-12 years)**
- **levelled and trialled**
- **careful text layout**
- **blurb for orientation and discussion**
- **careful illustration placement**
- **variety of:**
 - authors, genre, illustrations, topics
- **full colour illustrations and**
- **full teacher's support inclusive of Assessment, Activities worksheets & Games providing meaningful text-related activities**

A programme which improves students' enjoyment, confidence and competence in reading.
